Rock Solid Cargo Super Sport 8.5x26 Tandem Axle Race Trailer – Black PolyCore
The Rock Solid Cargo Super Sport 8.5x26 Race Trailer is built for racers, motorsports teams, and enthusiasts who demand premium construction, professional-grade features, and dependable performance. Finished in a sleek Black .080 PolyCore exterior with a semi-screwless design and full blackout trim, this trailer is designed to haul race cars, drag cars, show cars, motorcycles, UTVs, golf carts, and valuable equipment while serving as a fully equipped mobile pit station.
With an 8.5-foot wide body, 26-foot floor length, and a spacious 7.5-foot interior height, this Super Sport model provides plenty of room for your vehicle, tools, and gear. The 7,000 lb torsion spread axles deliver an exceptionally smooth ride and outstanding towing stability, while the 4' x 8' escape door, 60-inch double side entry door, and heavy-duty rear ramp door with steel transition flap make loading and unloading quick and effortless.
Inside, you'll find everything needed for race weekends or long hauls, including a 15,000 BTU air conditioner, large 110V electrical package, stand-alone 12V electrical system, Bluetooth stereo, 9,500 lb wireless winch, overhead cabinets, closet storage, rubber coin flooring, and a fully insulated interior. Premium amenities like these make this trailer ideal for both professional race teams and weekend competitors.
Built with Rock Solid Cargo's premium craftsmanship, this trailer also includes an extended tongue, 5,000 lb electric tongue jack, rear spoiler with LED load lights, rear stabilizer jacks, rear bogie wheels, and an insulated generator compartment. Every detail is engineered to maximize convenience, durability, and performance wherever the road takes you.
