Description

Now, check out these numbers: 34 horsepower. 29 lb-ft of torque. 10.3 inches of ground clearance. 1,350 pounds of towing capacity. 2,500-pound winch. 4WD with diff lock. All of it standard. This isn’t just a mid-size ATV—it’s the golden ratio of power, price, and pure usability. The CFORCE 500 delivers confident, smooth performance with a liquid-cooled 500cc engine and ride-by-wire throttle. Class-leading vibration reduction keeps it comfortable all day, and the EPS makes it nimble in tight woods and steady at speed. Whether you're hauling firewood, exploring backcountry, or plowing a fresh dump of snow—this machine just shows up and gets it done.
