Description

Introducing a fully loaded 2026 Haulmark 28 FT Edge Aluminum Stacker Trailer, purpose-built for the serious toy hauler who wants power, space, and comfort in one package. This stacker is constructed with an aluminum frame and .050 aluminum sides for a durable, lightweight build, and features a 16 FT steel car hoist plus an attic with ladder access to the upper deck, giving you true two-level storage for bikes, side-by-sides, or full-size vehicles. The 5K electric winch and premium escape door with removable fender make loading and everyday access effortless.

This Edge is equipped for true off-grid capability, with a generator box, 36x33 generator door, air compressor prep package, and a full 120/240V 50A power system including a 50A motorbase, 25 FT shore cord, AC/DC panel, and seven 120V 20A receptacles. Inside and out, comfort features include 12 and 14 FT 12V power awnings, an AM/FM/Bluetooth stereo with exterior and interior speakers, upper and lower cabinets, and a 60x72 side premium double door. LED scene lighting, rear loading lights, and slim line white area lights keep the trailer well lit day or night, while black Viper aluminum wheels and a 12 inch aluminum spoiler round out the aggressive, finished look. Built on a torsion suspension with electric brakes and riding on a 21,000 lb GVWR chassis with an 11,350 lb payload capacity, this Haulmark Edge is ready to go to work. Priced at \$79,999, it is one of the most complete stacker trailers in our lineup. Contact Rock's Trailer Sales in Grove City today and reference Stock #35587 to schedule your inspection or reserve this Haulmark Edge before it's gone.
