Description

35SA Single Axle Utility Trailer

You need a trailer that works as hard as you do. Whether you're tackling projects at home or on the job, the 35SA single axle utility trailer is built for versatility, reliability, and convenience. It’s perfect for hauling equipment, landscaping supplies, or even side-by-sides with confidence. Designed for homeowners and outdoor enthusiasts, this rugged trailer is built to last for years, just like all our products at Big Tex Trailers.

2,000 lb Set Back Jack

Designed to lower the tailgate of your tow vehicle without the top of the jack damaging it.

Rear Ramp Gate

Expand your hauling capabilities with an optional 4’ tall rear ramp gate—ideal for transporting a variety of vehicles, including golf carts, ATVs, side-by-sides, and more.

Square Tubing Top Rail

Offering superior resilience compared to typical angle top rails, this trailer features square tubing for increased strength and structure.

Quick Lubricating Axle

Steel-belted radial tires and stylish black wheels combine together with premium, industry-leading axles that offer a smooth ride that’s stylish, reliable, and easier to maintain.

Standard Features

- 3,500# Premium, Cambered Axle with Quick-Lubricating Hubs
