Description

The 20K tube tilt is a beast of a trailer, with no peers in its class, and is equipped with twin 10K torflex axles with 17.5 super single tires. The trailer is built with a heavy duty frame, while still maintaining a full 83" between the fenders and has an added standard option of fender guards. It is available with 2-8' stationary decks, with either 16' or 18' of tilt. Pull-type and gooseneck configurations are available.
