Price: \$3,990.00

Sales Price: \$3,800.00

### Description

The NXG XFD Flatbed sets a new standard for commercial truck beds with industry-exclusive engineering, rugged construction, and job-ready features never offered in a standard flatbed. Built

to outperform the competition, the XFD is ideal for construction, ranching, oilfield, fleet, and hauling professionals who demand strength, durability, and smart design.

**Lengths Available:** 84", 8'6", 94", 11'4" (varies by model and chassis) [nexgentruckbodies.com](http://nexgentruckbodies.com)

### **Why the NXG XFD Flatbed Stands Out**

**Deck Width:** ~97" wide platform (industry standard for maximum cargo area)  
[sundownertrailerclassifieds.com](http://sundownertrailerclassifieds.com)

**Construction:** Heavy-duty carbon steel structural components [nexgentruckbodies.com](http://nexgentruckbodies.com)

**Frame Rails:** 4" precision-cut structural channel steel for exceptional load strength  
[nexgentruckbodies.com](http://nexgentruckbodies.com)

Crossmembers: 3" roll-formed steel for superior deck support [nexgentruckbodies.com](http://nexgentruckbodies.com)

### **? Exclusive NXG Features (XFD Only)**

These are only available on NXG XFD bodies and set them apart from standard flatbeds:

#### **? XCoat™ \*\* – Proprietary Multi-Stage Corrosion Protection**

NXG's exclusive XCoat finish uses a multi-stage cleaning and infrared powder-coating process that delivers best-in-class corrosion resistance and a long-lasting professional finish — built for the toughest environments. [nexgentruckbodies.com](http://nexgentruckbodies.com)

#### **?\*\* XDeck\*\*® – Fully Recessed Treadplate Deck**

A recessed 11-gauge steel diamond plate deck with XCoat finish eliminates exposed edges, protects materials, and ensures a smooth, low-wear surface — giving you more durability and fewer corrosion points than typical flatbed decks. [nexgentruckbodies.com](http://nexgentruckbodies.com)

#### **?? XRack™ – Integrated Headache Rack (Standard)**

Unlike bolt-on racks, the XRack is fully welded and part of the body's structure. Built with precision mandrel-bent steel tubing, it adds strength, protection, and mounting options while maintaining a sleek profile. [nexgentruckbodies.com](http://nexgentruckbodies.com)

#### **? XLights® – Automotive-Grade Integrated Lighting**

NXG's XLights combine stop, tail, turn, backup, and built-in amber strobe functionality all in a sealed automotive-grade lens system for maximum visibility and job site safety — an NXG-exclusive feature with lifetime backing. [nexgentruckbodies.com](http://nexgentruckbodies.com)

#### **? XHitch™ – Heavy-Duty Integrated Towing System**

Standard integrated tow capability includes a 30,000-lb gooseneck coupler and 24,500-lb receiver hitch, complete with upright chain keepers and pre-wired electrical connections — no need for aftermarket add-ons. [nexgentruckbodies.com](http://nexgentruckbodies.com)

#### **?Clean Functional Details\*\***

Angled rear fuel fill neck for easier access and reduced splashback. [nexgentruckbodies.com](http://nexgentruckbodies.com)

3/8" × 2" formed steel side rails with stake pockets for versatile tie-downs. [nexgentruckbodies.com](http://nexgentruckbodies.com)

Automotive-grade electrical hookups for reliable trailer connections. [nexgentruckbodies.com](http://nexgentruckbodies.com)

**? Engineered for high-duty work environments** — perfect for daily hauling, tools, hay, equipment, and materials. Happy Trailers ? Combines durability and corrosion resistance other flatbeds can't match. [nexgentruckbodies.com](http://nexgentruckbodies.com) ? Built-in safety lighting and towing capacity right from the factory. [nexgentruckbodies.com](http://nexgentruckbodies.com) ? Looks clean, professional, and performs harder — a true work-ready upgrade.

? Available at Great West Trailer & Truck – Fort Morgan, CO Call today for pricing, fitment options, and installation scheduling.
