Description

82” wide
22’ long
6’ stationary deck
16’ tilting deck
16K GVWR
New Tilting deck trailer that is 82” wide and 22’ long overall. The tilting part of the deck has a hydraulic damper to assist with safe operation. This trailer runs two 7k axles with electric brakes giving you a GVWR of 16,000 lbs and an empty weight of 3,800 lbs giving you a payload capacity of 12,200 lbs. The tool box can fit a whole spare tire with room for straps and chains etc. The tool box lid is load bearing with tie downs but we do not recommend anything over 250 pounds. The deck is stained by us.
