Description

Landscape gate upgrade on this model!

OVERVIEW

The Low Profile Homeowner Dump Trailer is designed specifically for residential use and small jobs, offering a practical and efficient solution for homeowners and contractors alike. Available in both single and tandem axle configurations, this trailer is perfect for light-duty applications such as yard cleanups, small landscaping projects, or hauling debris. Its versatile design makes it easy to tow with an SUV or lighter-duty pickup truck, providing accessibility to a wide range of users. This trailer is built to work like a pro, with smart features that simplify your tasks. One of the standout features is the barn door gate with a cambar, which provides easy access to the trailer bed for loading and unloading materials. Whether you're transporting soil, mulch, or debris, this trailer offers reliable performance with user-friendly functionality.
