2026 Yamaha AR220 — Affordable Fun & Jet Boat Performance
The 2026 Yamaha AR220 delivers a perfect blend of performance, versatility, and all-day comfort — making it an ideal choice for families, watersports enthusiasts, and weekend adventurers alike. Built on Yamaha’s proven jet propulsion platform, the AR220 offers responsive handling, confident acceleration, and effortless maneuverability with no exposed propellers, so you can enjoy shallow waters and swim zones with added peace of mind.

Designed with a thoughtfully crafted layout and premium features, the AR220 is perfect for cruising, towing tubes or wakeboards, and entertaining friends and family. With roomy bow seating, a spacious cockpit, and plenty of integrated storage, everyone onboard has room to relax, socialize, and enjoy the day.

At its core are twin Yamaha TR-1® marine engines with high-output performance and fuel efficiency, paired with Yamaha's signature jet drive system for smooth, confidence-inspiring control. Whether you're exploring coves, powering through open water, or docking with precision, the AR220 delivers a fun-filled boating experience every time you hit the water.

This model also features sleek styling, premium comfort upgrades, and intuitive technology — including Yamaha's Cruise Assist, No Wake Mode™, and optional Connext® touchscreen controls — making it one of the most versatile and value-packed 22-foot boats on the market.

Key Features

Twin Yamaha TR-1® High Output Marine Engines with jet propulsion — reliable power with excellent handling and shallow-water capability.

Seating for up to 10 passengers — perfect for family and friends.

Integrated Swim Platform with cushioned backrests and reboarding ladder — easy water access.

Aluminum folding wakeboard tower with tow hook — ready for watersports.

Bimini™ top — shade and comfort on sunny days.

Connext® touchscreen display (optional) — GPS, stereo, and system control at your fingertips.

Cruise Assist & No Wake Mode™ — effortless speed control for smooth boating.

Ample storage & premium seating throughout — room for gear and comfort for everyone.
