Sales Price: $4,650.00

Description

*** Model: Regular Duty Tandem***
This is a brand-new cost-effective trailer that fits most any 23-24.6" front deck to rear tritoon. Our FS24T is able to adjust to accommodate three log pontoon boats with a varying range of center to centers from 72-78". Basically, unless you have a 10' wide tritoon boat, that's all of them. It is standard with the adjustable center bolster bunks that fits a variety of different rise or drops.
-Why this one?
Most competitive models are weak in the fit and finish, tongue, bunk brackets, guide arm strength, and overall bunk length is short. Even if you are simply using the trailer for short travel or off-season storage, those combine to create a poor experience.
Axles: tandem 3500 lbs spring axles
Wheel & Tire: 175/80R13 5X4.5 Silver Directional
Standard Features:
-folding tongue jack
-Bow Boarding Ladder with Winch
-Safety Chains
-2" Welded Coupler
-4 Pin Flat Light Plug
-HD Windguides
-2X4 Bunks
-Sealed Lighting
-Rugged Steel Fenders
Warranty:
Trailer Limited Warranty
The performance, workmanship and materials of these products have a limited guarantee for two (2) years when used for the purpose and under the conditions for which designed. The manufacturer will replace any part found to be defective upon examination when such part is returned to manufacturer, transportation prepaid.
All warranties, including tires, are void if trailer is loaded beyond rated capacity. Warranty on tires is covered by tire manufacturer and all claims for adjustment should be made through nearest representative of tire manufacturer. This warranty gives you specific legal rights and may also have other rights which vary from state to state.
The descriptions and specifications contained on this website were in effect at the time it was approved. First Phase Marine, dba Gladstone Cove Boat Trailer Sales and B & M Mfg. Co. reserve the right to discontinue models at any time, or to change specifications or design without notice and without incurring obligations.
