2027 Rock Solid Cargo 8.5x36 Triple Axle Enclosed Car Hauler – Black PolyCore

The 2027 Rock Solid Cargo 8.5x36 Triple Axle Enclosed Car Hauler is engineered for serious racers, collectors, and commercial haulers who demand premium quality and maximum hauling capability. Finished in a sleek Black .080 PolyCore exterior with a Semi-Screwless design and Super Stealth Blackout Trim, this trailer delivers an aggressive appearance while providing exceptional durability. Whether you're hauling race cars, show cars, drag cars, UTVs, side-by-sides, motorcycles, or valuable equipment, this trailer is built to perform.

With a spacious 8.5-foot wide body, 36-foot floor length, and triple 5,200 lb electric brake axles, this trailer provides outstanding towing stability and impressive payload capacity. The dual 54" x 48" escape doors make entering and exiting vehicles easy after loading, while the heavy-duty rear spring-assisted ramp door with a 16-inch extension flap and built-in rear dovetail simplifies loading low-profile vehicles. The aerodynamic V-Nose design also improves towing efficiency while adding extra front storage space.

Built with Rock Solid Cargo's premium construction, this trailer features an 8-inch steel tube main frame, triple tube tongue, one-piece aluminum roof, undercoating with a moisture barrier, and ATP wrapped front and rear corners for long-lasting durability. Inside, you'll find a spacious 7-foot interior height, premium plywood walls and flooring, recessed D-rings, and LED lighting to make securing and transporting your cargo easier than ever.
