Description

Prepare to Be Amazed by Excellence!

We proudly introduce an exceptional piece of craftsmanship - our brand-new 4-place aluminum PWC trailer. Prepare to be astounded by the superior quality and meticulous attention to detail that sets this trailer apart.

Outstanding Features:

Unmatched Capacity: With a GVWR of 7000, this trailer is designed to handle the load of four massive wave runners with ease.

Smooth Towing: Equipped with two 3500 lbs torsion axles, this trailer ensures an exceptionally smooth and stable towing experience, even when fully loaded.

Rust-Resistant: Crafted with stainless hardware and dacromet-coated brakes, this trailer provides maximum corrosion protection, guaranteeing long-lasting durability.

Effortless Launch and Load: The two aft winch posts are conveniently pinned, making it a breeze to launch and load your first two skis.

Custom Walkway: Enjoy the convenience of a custom full center walkway, enhancing accessibility during loading and unloading.

Safety and Convenience: Additional features include sealed LED lighting, secure tie-down spots for all four watercraft, neoprene bow rollers for added protection, an HD tongue jack for easy maneuverability, a 5-year axle warranty, a limited lifetime frame warranty, greasable bearings, and much more.

This trailer represents the pinnacle of innovation and durability, ensuring your prized watercraft are transported with utmost care.
