Description

Stand up to Old Man Winter no matter his mood with the powerful LDR Box Plows from BOSS. Built to deliver exceptional performance in the toughest conditions, these plows ensure you can clear massive areas with ease. The steel edge provides precision and clean lines on streets and parking lots, while the heavy-duty trip-edge springs protect your plow from damage, allowing you to navigate any terrain with confidence. The innovative trip-edge system absorbs impact when encountering obstacles, keeping your equipment safe and minimizing downtime. Attach the LDR box plow in seconds, so you can quickly and efficiently RESTORE ORDER to any lot. With BOSS's advanced protection technology and user-friendly operation, you'll get the job done faster, easier, and more efficiently, making sure you're always ready when Mother Nature strikes
