Description

MATERIAL SPREADER-HD SCOOP AND SPREAD
This Heavy Duty Scoop and Spread from Blue Diamond for skid steers are the most effective way to spread material! Use the hopper like a bucket to scoop your material and then turn on the hydraulics to spread up to 30? wide. This steel spreader with replaceable paddles is available in 8 and 18 cubic ft. It has a hardened steel cutting edge and a protective grate to prevent clogging.
FEATURES
• Available in 8 and 18 cubic ft. capacity • Spreads up to 30? wide • Self-loading: scoop material into the hopper • Hardened Steel cutting edge • Protective Grate to prevent clogging • Adjustable flow with a manually operated gate • Steel spreader with replaceable paddles • Steel agitator to keep material flowing smoothly • Optional sidewalk deflector
APPLICATIONS
• Snow and ice management; use as a sand or salt spreader • Lawn care; excellent for large area seed/fertilizer/lime spreading • Feedlots; works great for spreading feed or bedding
