Sales Price: \$5,795.00

Description

Stock# SC055359

Model# XPRESS6X10-IF

The ALCOM 6x10 3K trailer is part of the XLT Pro Series or Xpress line and is built with an all-aluminum frame and integrated design that resists rust and corrosion, leading to less maintenance and a longer lifespan. Its lightweight construction, with an empty weight of around 1120 lbs, maximizes the payload capacity (approx. 1,870 lbs) and reduces wear and tear on the tow vehicle. The V-nose design can enhance aerodynamics and maneuverability during towing.
