Description

Midsota roll-off dump trailers deliver unmatched versatility and strength, designed for contractors, waste haulers, and heavy-duty jobs that demand multiple bins and quick turnaround. Built in Minnesota with rugged steel frames, industrial-grade hydraulic hoists, and powerful winch systems, these trailers let you swap bins on-site for maximum efficiency. Midsota roll-off trailers are

engineered to handle demolition debris, construction materials, and commercial hauling with ease — all backed by Midsota’s reputation for durability and innovation.
